*The Economically Disadvantaged Rate (Direct Certification) is determined by dividing the number of identified students who are directly certified through participation in the Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), and Food Distribution Program for Indian Reservations (FDPIR) by a school's total enrollment. This rate is used to rank order school poverty for placement in one of five Poverty Tiers for Title I per student allocations. The higher the concentration of poverty in a school, the higher the per student allocation from Title I.

**FY14 and FY18 enrollment data is as of October. FY14 does not include students who have more than 10 consecutive unexcused absences, while FY18 data does since this status is no longer available.
